

We're Going on  
a Bear Hunt'

Primary 1

Transition Activities

2020 - 2021

Children can use these resources and ideas as part of the Transition Challenge for Primary 1 at Wester Cleddens Primary School.

This booklet belongs to:

---

# Primary 1 Transition 2020

To Our New Wester Cleddens Families,

You should have recently received an email with details of our Transition Challenge this year. This session, we are basing our activities on the well-known story 'We're Going on a Bear Hunt' by Michael Rosen.

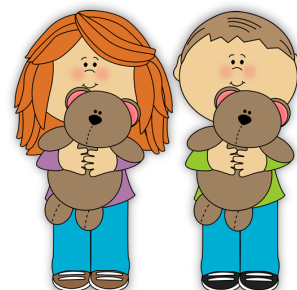

We have created this booklet for you to use, should you wish, to help familiarise your child with activities similar to what they might begin to complete when they start school.

We are so excited to be working alongside you and hope you enjoy what we have suggested in this booklet.

If you have any queries please do not hesitate to get in touch with our school office at [office@westercleddens.e-dunbarton.sch.uk](mailto:office@westercleddens.e-dunbarton.sch.uk).

Kind Regards,

All The Team at WCPS 😊

# Challenge Information

- To take part, share the story of 'We're Going on a Bear Hunt' by Michael Rosen. If you have the book, read it together or you can watch/listen online on YouTube. Search for ['We're Going On a Bear Hunt BOOK Kids Poems and Stories With Michael Rosen'](#). Find a bear or soft toy in your house to take part in our Bear Hunt. Put the bear in your window so others can see.
- Our pupils enjoy yoga with Cosmic Kids. Why not go on a [Yoga Bear Hunt with Cosmic Kids](#) on YouTube? You could email a picture of your best Bear Hunt Yoga pose or tweet us a photo on Twitter [@Wester\\_Cleddens](#).
- Have fun when you are out and count how many bears you can spot!

We have also set a challenge for our current pupils, who will be putting a teddy bear or soft toy in their windows for you to see with a Wester Cleddens tie on it, or dressed up. We would love for you to see some of them when you are out and about, so keep your eyes peeled!

# We're Going on a Bear Hunt

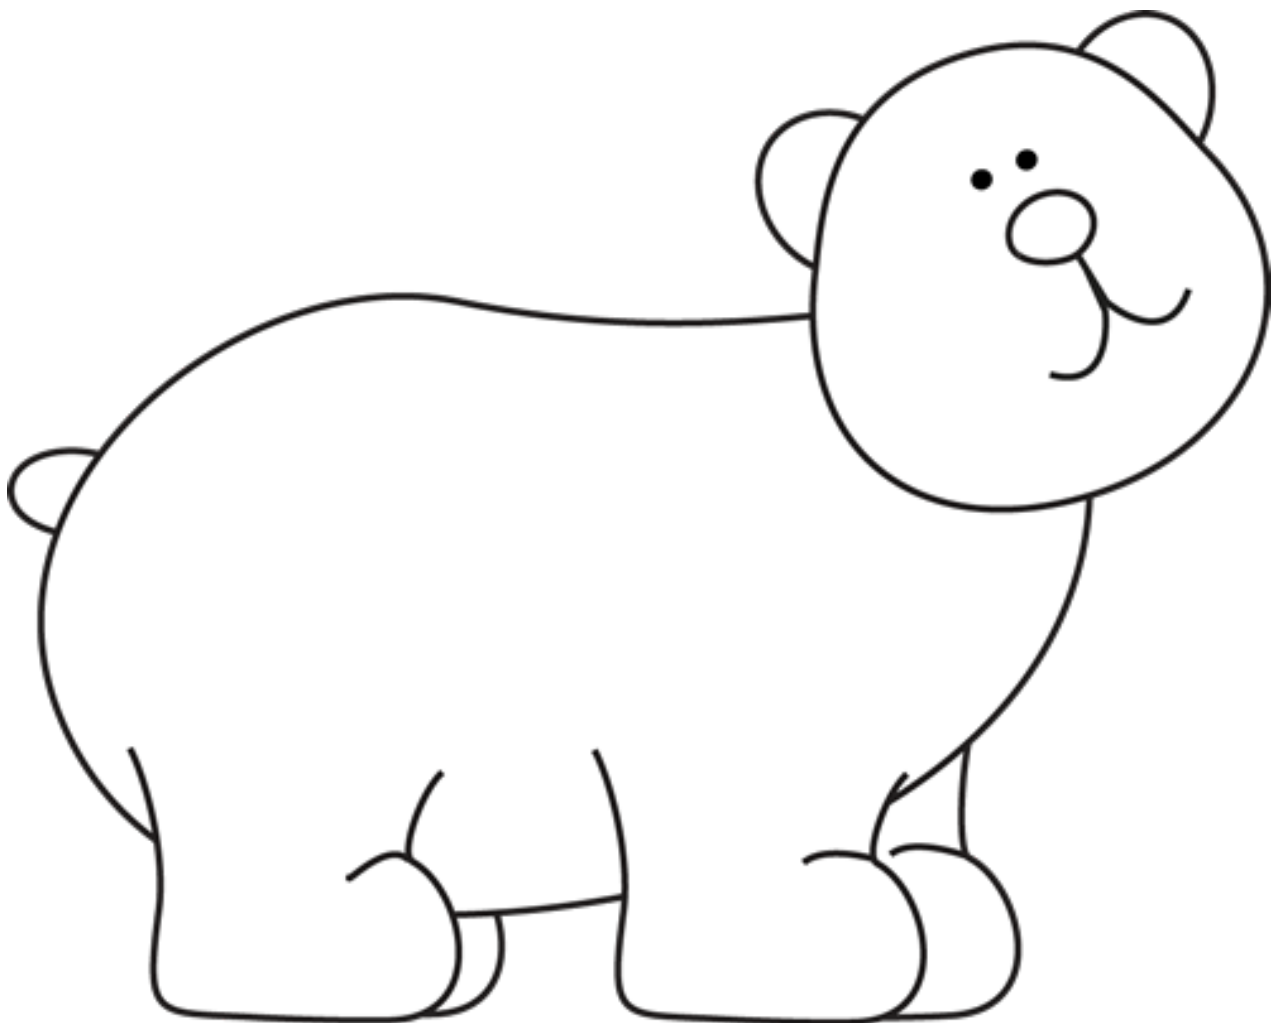

## Activity 1

Colour in the bear below and give it a name.

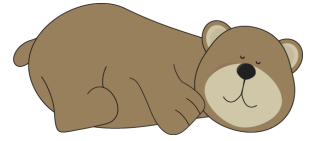

My bear's name is \_\_\_\_\_

# We're Going on a Bear Hunt

## Activity 2

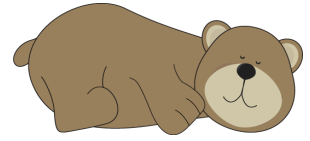

Draw a picture of you and your favourite toy below.

# We're Going on a Bear Hunt

## Activity 3

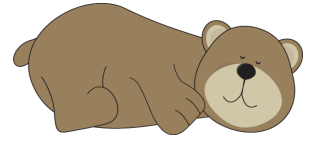

Design a new t-shirt for your bear or one of your toys.

# We're Going on a Bear Hunt

## Activity 4

Draw a healthy snack for your bear or toy to eat at a picnic.

# We're Going on a Bear Hunt

## Activity 5

Draw a picture of everyone in your house  
having food or a picnic together.

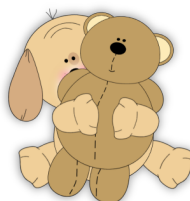

# Additional Activities

We have also listed some further activities you could take part in. Remember, this booklet is optional but we would love for you to take part in the challenge!

- Grow some cress using wet tissue or cotton wool in an old yoghurt pot. Sprinkle in cress seeds and cover with cling film. It makes great 'swishy swashy' grass!
- Create a mini Bear Hunt. What can you use for grass, mud or snow? See what you can find in the house or collect natural things on your walks to make a picture, map or model.
- Create a set of bear ears (template included on the last page) using coloured pens/pencils/crayons, scissors and glue.
- Put some greenery/flowers, your cress or something from your adventures in the window with your bear. Share a drawing or photo on Twitter [@Wester\\_Cleddens](https://twitter.com/Wester_Cleddens) or with our school office.

*P.T.O. for more ideas.*

# Additional Activities

- Make salt-dough models using one cup of plain flour, half a cupful of table salt and half a cupful of water (see BBC Good Food website for full instructions and ideas).
- Read some other stories together. Think about the characters and the choices they make. Talk more with your child about choices. Help them to think about their own choices.
- Bake, cook or make some healthy snacks or treats for a picnic.
- Last but not least, have a Teddy Bears' Picnic together. Enjoy your treats and imaginative play.

We would love if you could send us photos to our office email [office@westercleddens.e-dunbarton.sch.uk](mailto:office@westercleddens.e-dunbarton.sch.uk), if possible.

You can return the booklet to school for your teacher to see when you begin Primary 1.

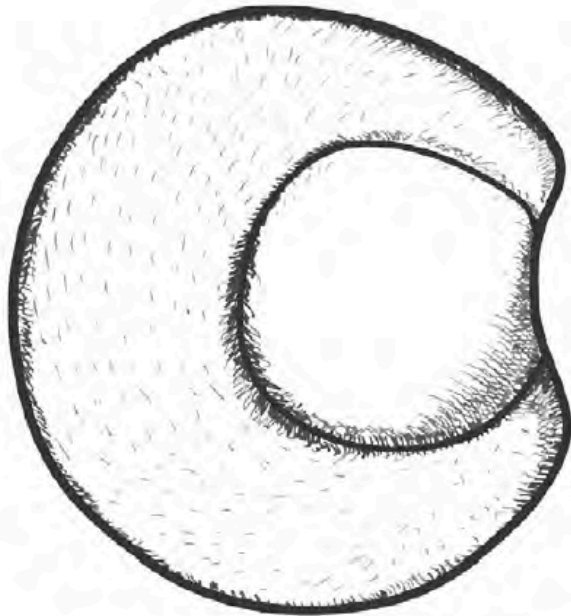

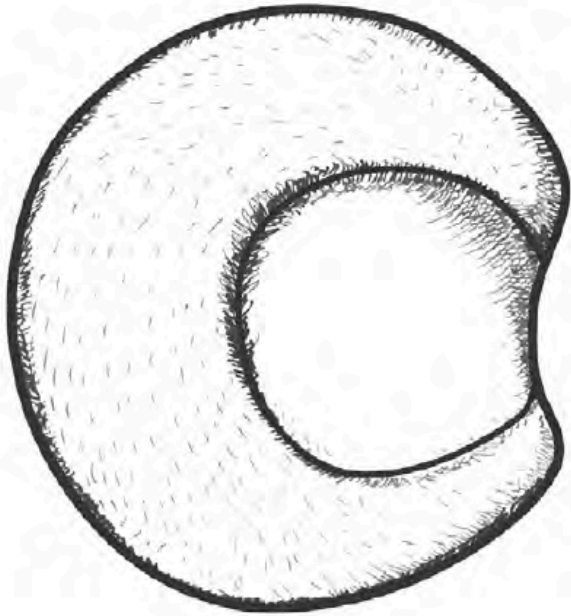

We hope you have fun!
