

Wester Cleddens Primary

Letter and Number Formation

At Wester Cleddens Primary, your child will learn how to correctly form their letters and numbers through a variety of multi-sensory approaches (e.g. making letters in wet sand, shaving foam, using a pencil, tracing, using playdough and rhymes). Within the school, we use the Nelson Handwriting Scheme to support the development of handwriting and correct formation of letters and numbers. To help support the transition to Primary 1, we have put together two tables below which demonstrate how your child will be taught to form their letters and numbers.
